US Citizen | hi2486@wayne.edu | (313)-4552462 | LinkedIn: www.linkedin.com/in/iftekharhasan09

EDUCATION

Wayne State University

B.S. in Computer Science

Detroit, Michigan

Expected Graduation, May 2025

- **GPA:** 3.71/4.00, *Dean's List*
- **Related Coursework:** Data structure and algorithm, Python, C++, Engineering Design (Simens NX), Object-Oriented Programming (C++), Technical Writing and Presentation, Discrete math and structures, Statistics & Probability, Calculus, and Physics

SKILLS

Programming: C++, Python, HTML, SNAP, **Java(new)**

Tools: Visual Studio, VSCode, MS Office, PyCharm, Jupyter Notebooks, AutoCAD, Simens NX, WireShark

OS System: Windows, Ubuntu, Virtual Lab

PROJECTS

Exploratory Data Analysis and Efficiency Assessment of the Auto Dataset

November 2022 – December 2022

Team Member (Lead)

- Analyzed auto dataset using Python's libraries such as matplotlib, statistics, and csv for data cleaning and statistical analysis. Identified and managed outliers, generated correlation plots, and conducted Pearson correlation for key metrics
- Developed an efficiency assessment function and effectively communicated insights through data visualization

Interactive Discrete Logic Puzzle Game

October 2023 – December 2023

Team Member

- Developed logic puzzle game using Python's 'tkinter' library and discrete math concept, showcasing proficiency in GUI development
- Implemented game logic functions for puzzle generation, checking rows and interactive puzzle display
- Designed an engaging user interface with input validation, error handling, and a reset feature, demonstrating a keen on user experience

Windmill Design and Modeling using Siemens NX (Course BE1200)

March 2022 – April 2022

Team Member

- Spearheaded the design and modeling of a windmill using Siemens NX CAD software, demonstrating correct mathematical assessment and technical proficiency
- Collaborated with a multidisciplinary team to ensure the seamless integration of aerodynamics and structural integrity
- Applied advanced features in Siemens NX to create detailed 3D models, optimizing for performance and efficiency and produced engineering documentation of the project

WORK EXPERIENCE

Rainbow Grocery

Sales Assistant Volunteer (part time)

Hamtramck, Michigan

July 2019 – Current

- Priced and cataloged goods, delivered quality customer service for Rainbow Grocery

ACTIVITIES AND LEADERSHIP

Wayne State Cyber Defense Club

Member

Detroit, Michigan

September 2023 – Current

- Actively participated in the annual event, Fix-IT2023, where I volunteered to troubleshoot and resolve hardware and software issues for students and community members.

Hamtramck High School's Robotics Club

Member

Hamtramck, Michigan

August 2019 – April 2021

- Engaged in active participation and collaboration within the team, contributing ideas and solutions during open discussions. This experience fostered my teamwork skills and problem-solving abilities.
